Since 2018, located in high tech area, Jiangmen city, Guangdong province, Sincerity Industry is a leading manufacturer providing the solution on multi-grade intelligent lighting.

About us

Now we have two production base in China, one is in "Jiangmen, Guangdong" with 6000 square meters workshop, another is in "Jiujiang, Jiangxi" occupied 50,000 square meters. Jiangmen branch (Guangdong Century Sincerity Photoelectric Technology Co., Ltd) mainly produce outdoor intelligent lighting fixtures, with our brand "SunC". Jiujiang engaged in developing LED Lights for government lighting projects.

Our company continues to invest strongly in innovation to promote innovation and upgrade; strengthen the "school-enterprise cooperation" with "University of Electronic Science and Technology" and other well-known universities in China to accelerate the transformation of the results of production, learning and research to provide strong technical support for the construction of industry-leading intelligent lighting.

We successfully approved ISO9001 international quality management system certification in 2021. Further improve the standardization, scientific modern enterprise management system, to provide customers with continuous and stable quality products.

Since established, we have gathered a number of senior R & D design lighting experts, with strong product development and rapid response capabilities. The developed products have approved the double patent certificates of "National Appearance" and "National Utility Model". Also with international certification of CE, RoHS, UL, COC, which enable us to serve the customers from South-east Asia, Mid east, South America and Africa.

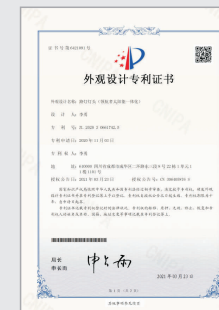

"Never forget the original intention, determined to go forward" is the spiritual quality of us. "Keeping pace with the times, always being foresighted, aware and pioneering" is the behavior guide of our Sincerity people. To create value for our customers with "fine management", "superior quality" and "professional service" is the most solemn commitment of Sincerity members.

RANGE OF APPLICATION

Residential

Park / Yard

Rural Area

Outdoor Court

Suburban Roads

CONTENTS

1.CCTV Solar Light P1

2.Transformer Solar Flood Light P2

3.Alien Warrior Solar Flood Light P3
Premium Version(RGB with musical rhythm)

4.Alien Warrior Solar Flood Light P4
Primary Version

5.Interstellar Warrior Solar Street light P5

6.Intrepid Pioneer All-in-one Solar Light P6

CCTV SOLAR LIGHT

Features:

- Power range from 100W-400W
- Installation height: 3-6m
- App Platform: Tuya Smart
- Resolution:1080P full color
- Memory Card:16G/32G/64G/128G
- Discharge Time:12-14 Hours
- With Radar Sensor
- 90 degree lens
- IP Rank:IP65

Monitoring parameters

Resolution	1080P day and night full-color
Focal length	4MM
System	Linux
Nighttime visual range	Better within ten meters
Active Wi-Fi range	Up to 50 meters if there's no obstacle
APP PLATFORM	Tuya Smart
TF card	Options from 16Gto 128G

Camera

Technical Parameters

Product model	DW901	DW902	DW903	DW904
Product Picture	 100W	 200W	 300W	 400W

ALIEN WARRIOR SERIES
Premium Version

Features:

- Power range from 60W-800W
- 16 million colors;20 mode selectable
- RGB with musical rhythm;work with App
- Compatible with bluetooth speaker
- Single & Group control

Patent Product

- Advantage:
- Easy assembly,convenient to change accessories
 - Equipped with RGB musical rhythm function,for widely application
 - Intelligent extended function,compatible with other bluetooth device
 - Wide beaming angle,brightness increase by 10%
 - Charging efficiency improved by 20% with P-MOS charging
 - Intelligent electricity management system,super long discharge time

INTREPID PIONEER SERIES

Features:

- Power range from 100-300W
- Installation height:3-5m
- Material:ABS+PC
- 4V Solar Panel
- Work with Radar Sensor
- Discharge Time:4-5 rainy days
- Installation:Wall/Pole Mounted
- 120 degree lens
- IP Rank:IP65

Patent Product

- Advantage:**
- Convenient installation
 - Efficient quick charging scheme
 - Multiple functional models
 - Smart power management system, extra-long battery life
